EAT CABBAGE, FISH SAUSAGE, NEW BREAD

"Paep's Diapepsin" Digests Food When Stomach Can't—Cures Indigestion.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Paep's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Paep's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Paep's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Paep's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

MRS. PANKHURST ONCE MORE IN JAIL

Detectives Take Militant Suffraget Off Steamer—Has Half of Three-Year Sentence to Serve.

PLYMOUTH, Eng., Dec. 4.—Mrs. Emmeline Pankhurst, leader of militant suffragets, was arrested Thursday on board the White Star liner Majestic and rushed to Devonport on a government tug by government detectives, who outwitted six suffraget defenders of Mrs. Pankhurst who were brought here by Mrs. (General) Flora Drummond.

At Devonport Mrs. Pankhurst was taken ashore and placed in an automobile which set off in the direction of London. She was under strict guard all the time. The arrest of Mrs. Pankhurst followed reports that the government would allow her to go to London, and these reports caused the Pankhurst bodyguard, headed by "General" Drummond, to relax some of its vigilance. However, suffragets were on their way to Devonport from Plymouth to "rescue" their leader when she was suddenly whisked away.

The militants arrived at Devonport too late to try to effect a release of the militant leaders. Mrs. Pankhurst still has more than half of a three year jail sentence to serve in England, having been released on account of illness.

DR. THOMSON'S EYE TALK

(TALK NO. 209.)

Day and Night.

It is not necessary to select a bright day for having your eyes examined. All of my tests are made in a dark room with artificial lights. Night is as good as day. I am open until 8 o'clock Saturday evenings. If you find it impossible to come through the week you can come then. My object in using artificial light is because the test is more thorough. If I can make you see well in the evening you can certainly see well by daylight. If I fitted you by sunlight the glasses might not be satisfactory for evening reading. Another thing I can always depend upon my illumination. Bright or cloudy days are all alike to me. If your eyes give you trouble in any way let me tell you what you need. I do not charge for consultation.
